Educational activities

Easy watercolor steps with markers.

Step 1 Color a cover plastic with the markers. Create areas of colors that touch.		
Step 2 Spray the pouch plastic using a water spray to make pearl the felt stains.		
Step 3 Apply the pouch to a white sheet (cardboard of preference). NB: do not press too hard and make small circles with it hands or fingertips to mix the color spots.		
Step 4 Remove the plastic pouch and admire the result. NB: bring a cloth for wipe off excess water that risk of flowing down the pouch.
