

Shughuli za elimu

Nambari ya siri

Kata kwa makini
kadi 11 zifuatazo.

Shughuli iliyobadilishwa na kuhamasishwa na video
**"Ujanja wa uchawi:
nadhani nambari kati ya 1 na 100"**

Nambari ya siri

- Uliza mtazamaji kuchagua
kwa siri nambari kati ya 0 na 100.

- Mpe kadi kumi za mchezo huu ndani yake
kuuliza kila wakati kukuambia kama
nambari iliyochaguliwa iko juu yake. Kama
ndiyo, kuiweka mbele yake, ikiwa hapana, kuiweka
uso chini.

- Mwambie nambari iliyochaguliwa. Kwa hili,
Unahitaji tu kuongeza akili,
hatua kwa hatua, idadi ya pili ya
kila kadi iliyothibitishwa (ile inayokuja baada ya
sifuri). Ikiwa kadi zote zimekuwa
imethibitishwa, ni nambari sifuri.
